ABOUT US

The Krishna American Oil Co. was founded in the year 1931 by Late. Lala Bal Krishan Aggarwal in his age of 16. The root family was migrated from Rajasthan 200 years ago. Initially the business was import and export spread over UK, U.S.A. and East Asia region. In the year 1950, we became the only company which ruled this market segment for 20 years under sole owner leadership. With the passage of time, the business was taken over by third generation of the founder. Now the Fourth Generation has also been indulge in the business. Presently, the company boasts of its wide spread network in all regions of India. In order to realize the vision, we have been following integrated and international standards of quality in all our business activities. We are amongst the reputed and acknowledged trader & distributor. All the products are procured from leading manufacturers in the domestic and international market. Over the huge span of time, we have acquired a vast amount of success in the industry. During the endeavor, we have developed strategic alliances with the many reputed companies toward offering their products to our customers.

VISION

" To be the Best in serving the trade and Industries with top class solution through the best in class technologies and products. Being the best means providing outstanding quality, service, and value for money which make our every customer smile and gain their trust on us. We "The Krishna American Oil Co." try it's best effort to provide with our continuous improvement in our infrastructure, integrity, synergy and creativity of our team . "
