HISTORY

The Krishna American Oil Co. was founded in the year 1931 by Late. Lala Bal Krishan Aggarwal at the age of 16. The founding family migrated from Rajasthan 200 years ago. Initially the business was import and export spread across U.K, U.S.A and East Asia. In the year 1950, we became the only company to dominate this market segment for 20 years under single owner's leadership. With the passage of time, the business was taken over by founder's third generation. Today the fourth is actively involved in the business.
